Strategic Plan

Office of the Executive Director for Conventional Ammunition (O/EDCA)

Vision

Be recognized as an effective, Joint-focused, integrated Team that adds value to the life cycle management of SMCA products and services for all the Military Services.

Mission

Assist the Executive Director for Conventional Ammunition in the performance of the assigned mission to include: monitoring and assessing the execution of the SMCA mission as it relates to Joint Service activities and related Service responsibilities, as well as participating in the Joint Service management of conventional ammunition under the Single Manager concept.

Goal and Strategy

I **Advocate Effective and Efficient SMCA mission Execution.**

1. Ensure requirements are identified to stakeholders to support the SMCA mission.
2. Promote process improvements by evaluating SMCA operations and leading efforts for improvement.
3. Transform through collaboration and Joint teamwork.

II **Continuously Improve Customer Awareness.**

1. Advocate resolution to issues that require immediate or continuing integration into SMCA and Service processes.
2. Foster open communication among the SMCA community.
3. Establish and maintain information exchange to support mission requirements.

III **Maintain a highly effective organization with Joint Service perspective to support the EDCA mission.**

1. Establish an Organizational Development Plan that promotes O/EDCA workforce proficiency.
2. Establish Individual Development Plans that promotes which require cross-functional training and Joint Service development understanding.
3. Encourage Joint Service developmental opportunities within the O/EDCA.
